

Jump , add in 10's and find the Sum(the first one is done for you)

$$16 + 45 = \underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad\quad} + \underline{\quad\quad} =$$

$$22 + 28 = \underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad\quad} + \underline{\quad\quad} =$$

$$38 + 24 = \underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad\quad} + \underline{\quad\quad} =$$

$$32 + 19 = \underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad\quad} + \underline{\quad\quad} =$$

$$26 + 28 = \underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad\quad} + \underline{\quad\quad} =$$

$$36 + 17 = \underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad\quad} + \underline{\quad\quad} =$$
