# Dr. Nupur Pande

Ph.D. · Academic Application Consultant

***From High School to Graduate School — Expert Guidance from an Insider.***

With over 15 years in competitive academic research environments at **UCSF** and **OHSU**, and as current faculty at the **Oregon Institute of Technology**, Dr. Pande brings rare first-hand insight to the college and graduate admissions process. Having served on graduate admissions committees, she knows precisely what makes an application stand out — and what gets it passed over.

The strongest candidates start planning early. Dr. Pande's approach is strategic, personalized, and grounded in the reality of what admissions committees are actually looking for.

**How I Can Help**

**Long-Term Academic Planning**

- Strategic course selection (AP, IB, Honors)
- Extracurricular & narrative building
- Summer programs & research opportunities
- Standardized testing timelines

**Graduate & Professional School**

- Personal statement — multi-draft development
- Supplemental essays: strategic & tailored
- School selection: reach, target & safety
- Application review & weakness analysis

**Undergraduate Application Support**

- College selection & fit analysis
- Common App & supplemental essays
- Activity list optimization
- Interview preparation

**Admissions Advocacy**

- Direct comms with admissions offices
- Strategic appeals & wait-list management
- Navigate special circumstance professionally
- Expert guidance at every decision point

**Minimum Commitment**
